Expert opinion from your Porsche Classic Partner:

A visual inspection of the engine serial number indicated a match and the transmission serial number indicated a match to our original serial numbers records. Overall, the vehicle is in good condition over all subsections. The paintwork is in good condition and only shows some minor damage(s). The body is in excellent condition and shows no visible damage. The interior appears in excellent condition corresponding to the year of construction. The engine shows leakages with a recommended need for action. The front pads are as good as new and front rotors are as good as new. The rear pads are as good as new and rear rotors are as good as new. There is no need for action with the suspension, it's in excellent condition. Thank you very much for bringing your car and we are very much looking forward to seeing you again.

The information in this certificate listing the original delivery state of your vehicle has been researched to the best of our knowledge.
