Dear Porsche Owner:

Your authorized Porsche representative uses the Maintenance Record for administrative purposes when servicing your car. To ensure that he can contact you promptly on any pertinent matter that might come up, it is imperative that your name and current address appear in the plastic front cover window.

For this reason, and in addition to the tear-out business reply card entitled Notice of Address Change or Notice of Used Car Purchase, kindly fill out this card when changes occur or glue it to the front page of the Maintenance Record by means of the adhesive strip already provided for this purpose to the right of this text.

Also, please enter the current owner code, as appropriate, in the square to the right of the chassis and engine serial numbers, as follows:

Second owner code = 2

Third owner code = 3
